MY LIFE EVERY SECOND

Seconds pass, minutes, hours, days, weeks and months too, and then one morning, just a few seconds away, we say that the year has come to an end! This means that each passing second reminds us of the end of the year!

So let's ask ourselves: how and with whom do we spend every second, and therefore every year? At each second, and this year in particular, does each of us have an appointment? With who and why? “Those whom I love I rebuke and discipline. So be earnest and repent. Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with that person, and they with me.” (Revelation 3: 19-20)

Did you have an appointment with "The Man" standing at the door, knocking? If you no longer have the true answer to this existential question, you've lost Grace, and have moved away from the Truth and Life.

May God's grace remain with you in this New Year, which we wish you much happiness!
